Press Release

Lumberton, NC – On June 3, Golden Corral of Lumberton launched its own local website, www.goldencorrallumberton.com in an effort to establish a stronger local presence and expand its commitment to the community. Some 30 members of the Lumberton Chamber of Commerce and the community attended a luncheon celebrating the launch of the website.

Tom Marks, General Manager of Golden Corral, Lumberton, explaining, “We are excited about having a local website and the opportunity to expand our community involvement. The site will offer the ability to place catering orders, banquet and private meeting room reservations, check on gift card balances, specials, our hours and menus, download coupons, updates on Military Appreciation Day, and our Children’s Miracle Network fundraising efforts, Community Newsletter, job openings, and opportunities on our Twitter and Facebook to win free breakfast, lunch, dinner and catering.”

Dalton Stocks, owner, adding, “We want to take this opportunity to thank MARCCOM.com for designing and building our website on such short notice and the community for joining us for lunch.”
